Accommodation and transport

- **Accommodation:** Participants will need to make their own accommodation bookings. It is recommended that participants book hotels in the South Brisbane area as the majority of venues to be visited are on the south side of the Brisbane River (South Bank in South Brisbane, Chelmer, Yeronga and Camp Hill).
- **Transport:** As this tour is limited to 20 persons, we anticipate that most tour participants will form car pools. Allowing for a comfortable four persons in each car, we will liaise with tour participants to facilitate those who are interested to join a car pool. Upon receiving your booking, we will advise you of the contact details for a driver/drivers of a car pool. Cost sharing of the car rental and petrol costs will be by private arrangement within the car pool members.

Additional tour information

- Tour itinerary is subject to amendment due to possible unforeseen commitments of private house owners.
- Interstate participants should plan on flying in on Thursday and at the earliest, fly out late evening on Saturday, allowing for sufficient time to travel from Camp Hill to Brisbane Airport. For a more relaxed itinerary, we recommend staying on for Sunday and plan a visit to one of the many attractions, Brisbane has to offer.
